**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential user of Sonic wireless services. I have been extremely happy with them, they have great customer service, and are always prompt in handling any problems. The service is very good, and I have never had cause to regret having switched over.

As a consumer, it's important to me to have a choice in the products and services I use. Sonic is my choice in this area. I have also recommended Sonic to many of my friends.

Thank you,
